# About us

CTA is a manufacturer of wood and metal display store fixtures. Founded in 1994, CTA has served clients of all sizes, ranging from members of the Fortune 500 to startup companies.

We are a certified minority owned and family operated company that has a wide array of experience in manufacturing. With our energy, expertise and commitment, we strive to be the best manufacturer of wood and metal store fixtures in the display industry. Member of **WMBE Clearinghouse**.

# Our mission

At CTA Fixtures Inc., we strive to ensure high quality products while maintaining on-time delivery and competitive pricing in order to meet our client's needs.

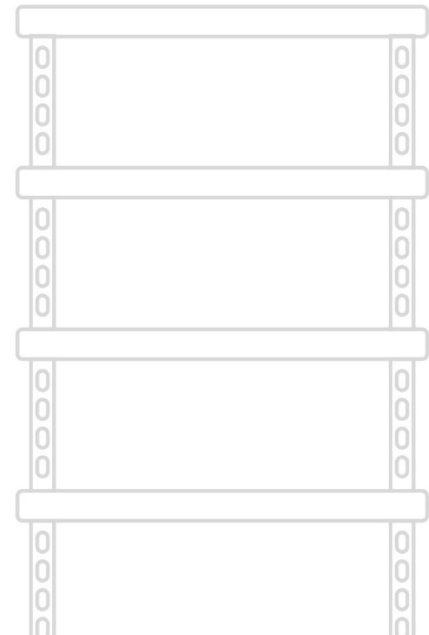

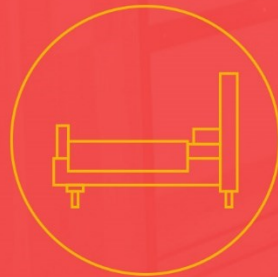

# Why are we different?

Most all of our metal and wood work is done in our own manufacturing facilities, which enables us to ensure our customers **superior quality, service and savings.**

**Our facilities, state-of-the-art technology and highly skilled staff make us a **leading company** in the store fixture industry.**

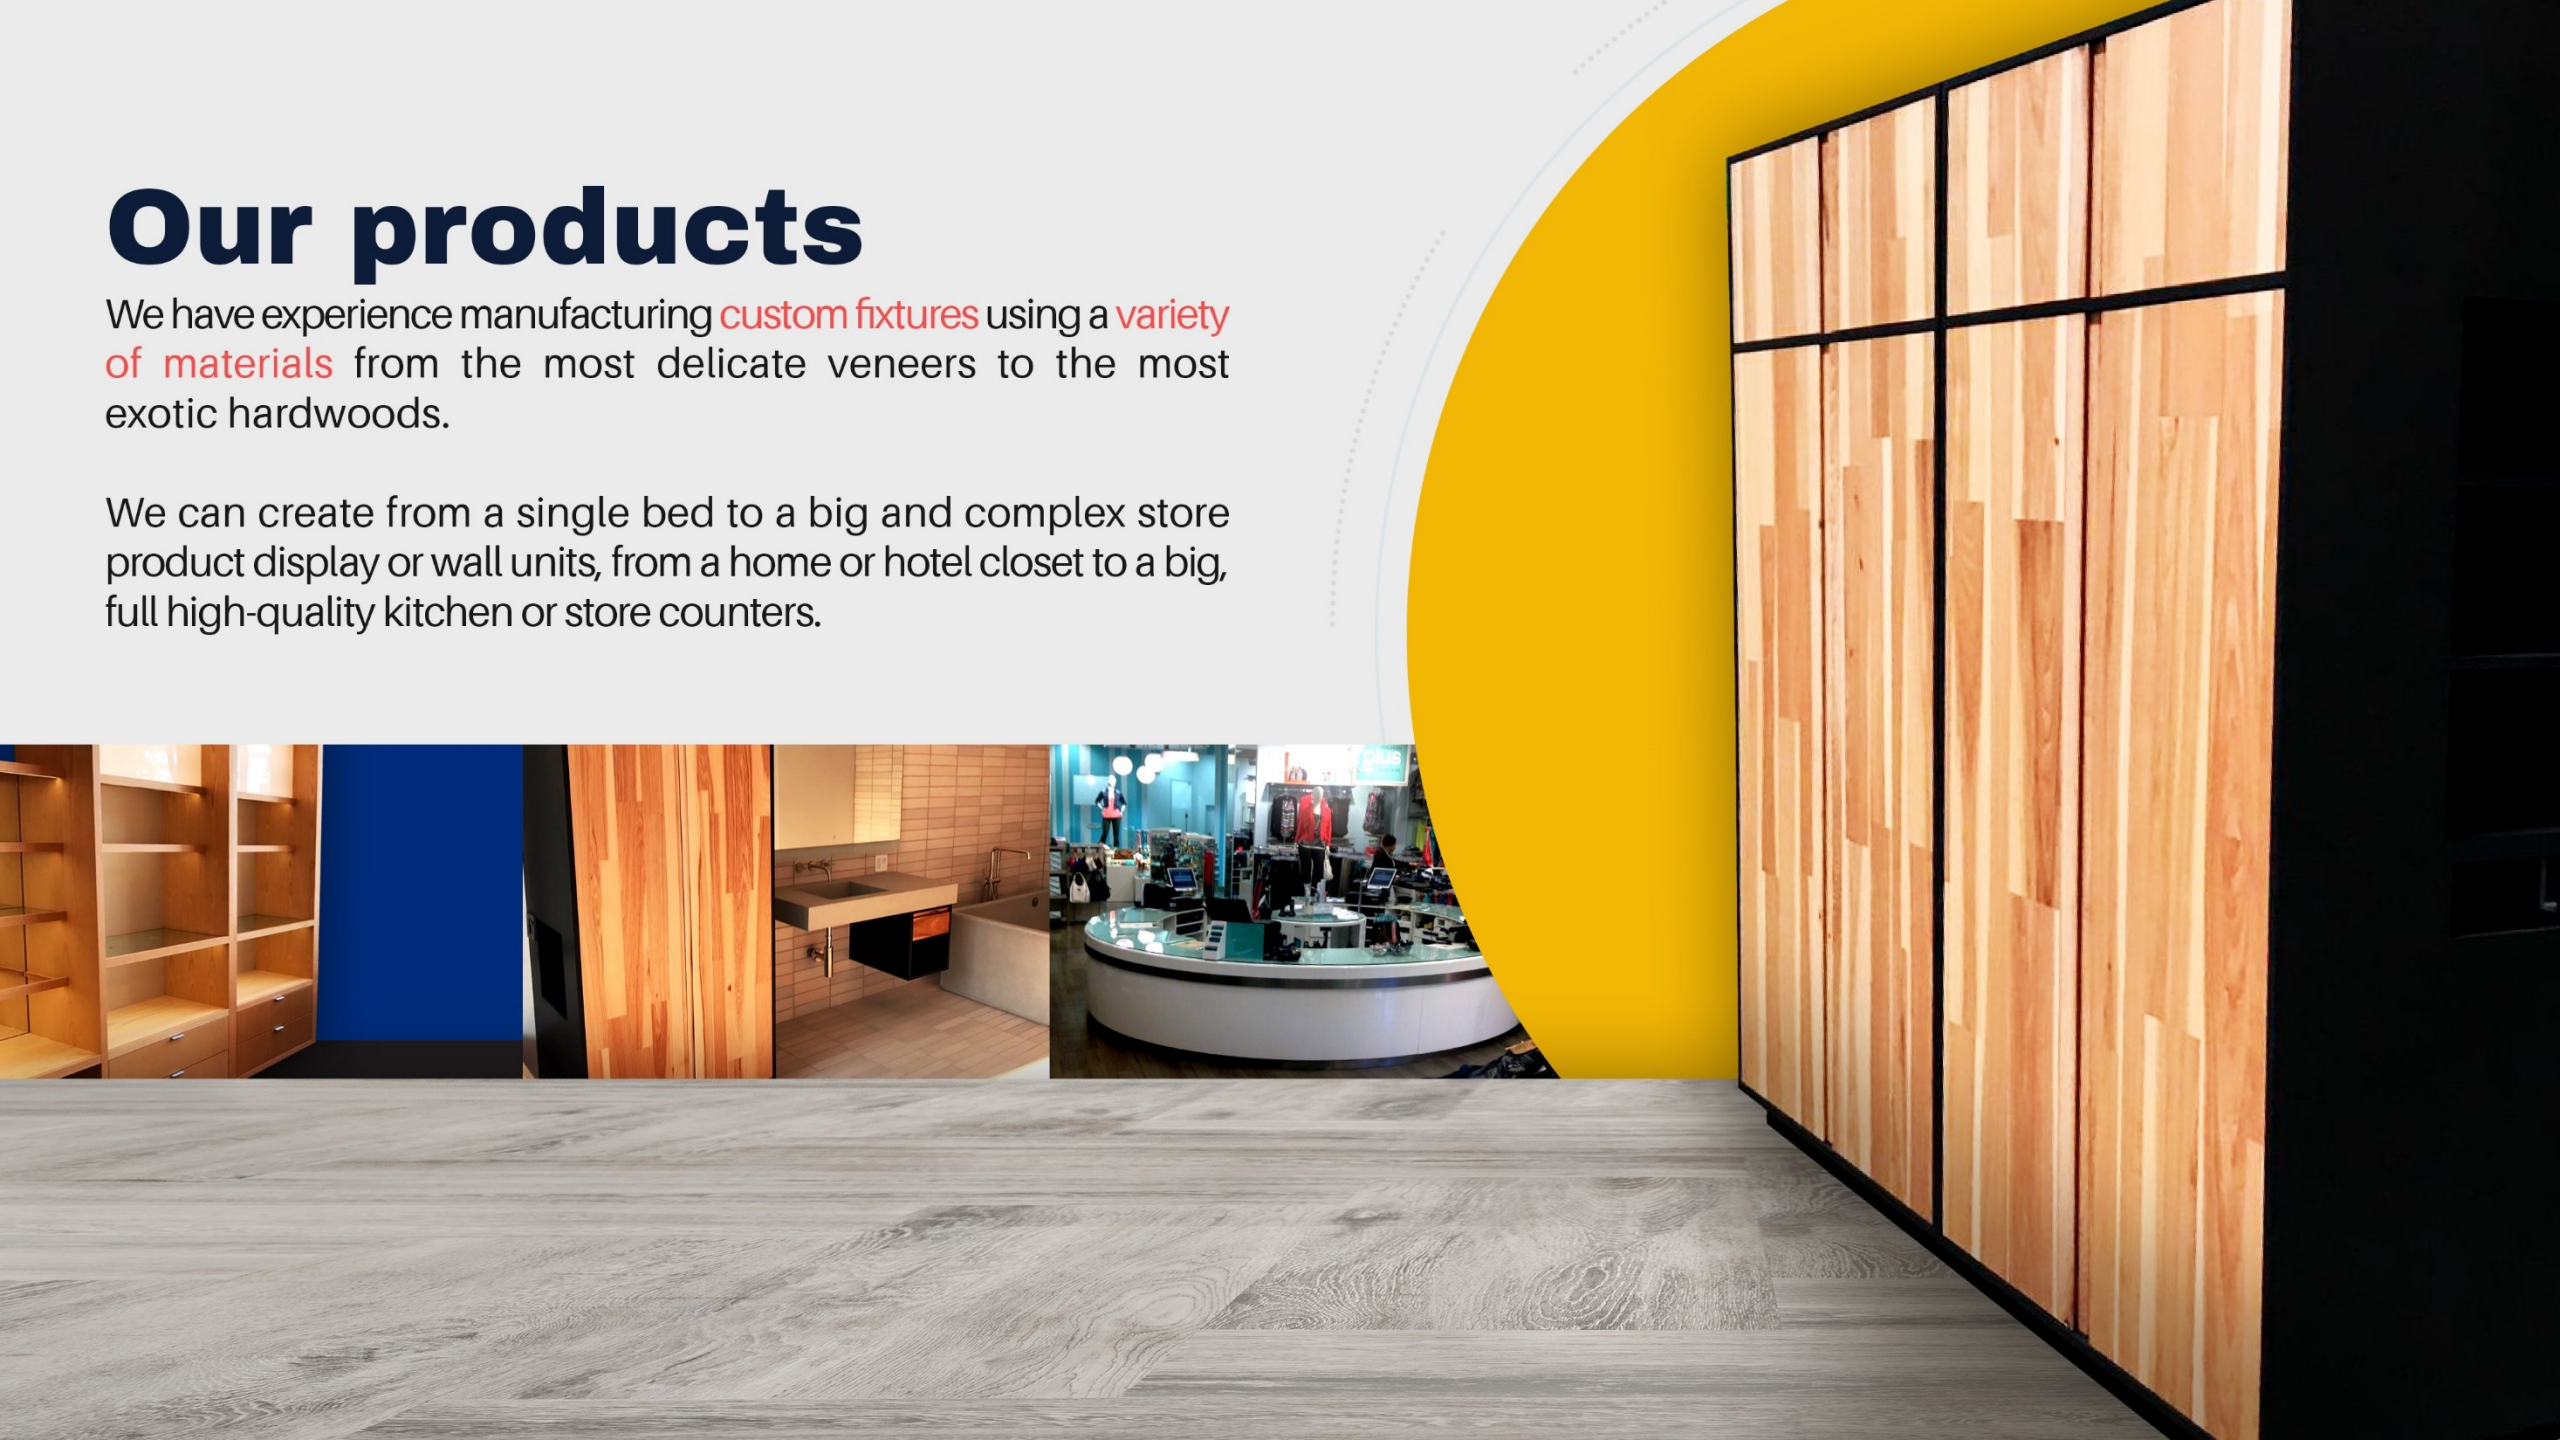

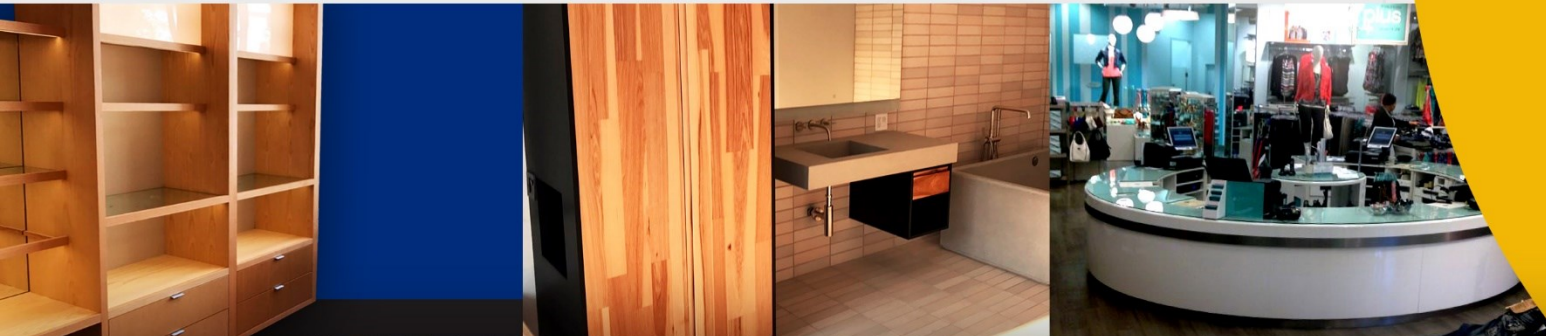

# Our products

We have experience manufacturing **custom fixtures** using a **variety of materials** from the most delicate veneers to the most exotic hardwoods.

We can create from a single bed to a big and complex store product display or wall units, from a home or hotel closet to a big, full high-quality kitchen or store counters.

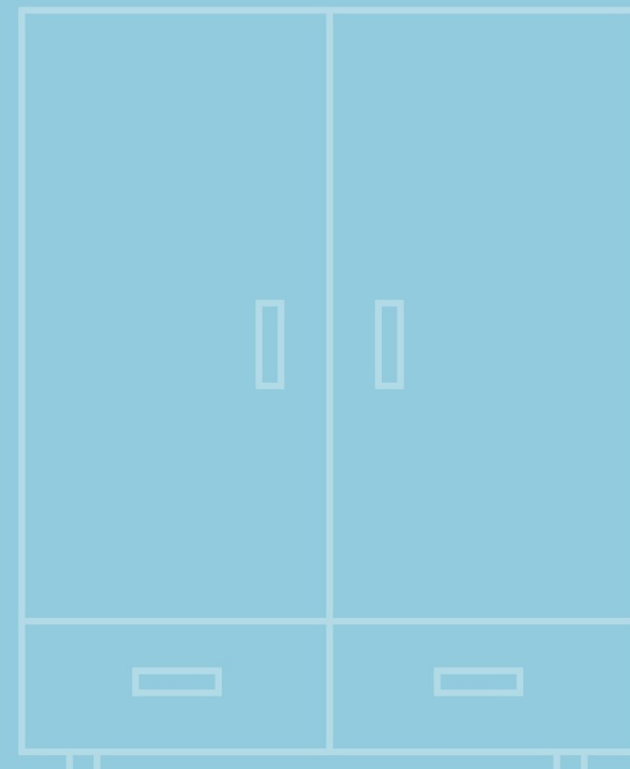

**Do you have an idea?**  
**Bring it to reality.**

**The perfect furniture to design  
an outstanding home**  
according to your needs.

# Build your dream home.

We give you exceptional components to make your dream space a reality.
